

FSE Series

Electric High Pressure Washer

Standard Accessories

Intelligent Electric Control Box
Industrial Motor
High Pressure Plunger Pump
Pressure Regulating Valve
High Precision Filter
Stainless Steel Anti-Vibration Pressure Gauge
Heavy Duty Carbon Steel Frame
High Pressure Spray Gun
0°/15°/25°/40° Fan Shape Nozzle
10 Meter High Pressure Hose
Pneumatic Tires
Caster Wheel

Applications

- Removes mud, dirt, and grime from vehicles
- Clean farm equipment and facilities .
- Clean debris and stains from construction tools and surfaces.
- Remove dirt, algae, and graffiti and from surface of a building.
- Clean sidewalks, benches, and public facilities.

Key Features

- Compact design and high mobility for ease of movement and space efficiency.
- The pressure switch intelligently activate or deactivate the motor in response to the operating pressure to improve safety, efficiency, and also prolong equipment lifespan with minimal energy consumption.

Model	FSE 10/12
Voltage	240V / 50HZ
Flow Rate	10 (L/min)
Pressure	120 Bar / 1740 psi
Motor Power	2.2 Kw / 1450 rpm
Weight	48 Kgs
