

## Introduction

Welcome to Antbuildz.com! We are the largest B2B equipment marketplace in the region. The Antbuildz Webstore is operated by ANTBUILDZ PTE. LTD., a company incorporated in Singapore with the company registration number 202007699D and its registered address at 33 Ubi Ave 3 #05-57 S 408868 ("ANTBUILDZ"). ANTBUILDZ is the owner and operator of <https://www.ANTBUILDZ.com> and its sub-domains or subpages (the "Website") and provides all services via the Website (the "Services").

### 1. User Agreement

By accessing and using the Antbuildz platform, you agree to comply with the following terms and conditions. These policies are subject to change at our discretion. We recommend reviewing them regularly to stay informed about any updates.

### 2. Eligibility and Registration

Users must be 18 years or older and authorized representatives of a business entity to register on our platform. Upon registration, users are required to provide accurate and up-to-date information, including business registration details and contact information. Antbuildz reserves the right to verify any information provided and may suspend or terminate accounts that provide false or misleading information.

### 3. Webstore Subscription

Antbuildz offers subscription plans that allow businesses to set up and operate their own webstores on our platform. The following rules apply to all webstore subscriptions:

- **Subscription Plans:** Antbuildz provides tiered subscription plans tailored to different business needs. Each plan includes specific features, limits, and benefits. Users must choose a plan that best suits their business requirements.
- **Billing and Payment:** Subscriptions are billed on a monthly or annual basis, depending on the user's preference. Payments must be made in full by the due date to maintain access to the webstore and related features. Failure to make timely payments may result in temporary suspension or permanent termination of the webstore.
- **Webstore Setup and Customization:** Subscribers are responsible for setting up and customizing their webstores. Antbuildz provides basic templates and tools, but it is up to the subscriber to add product listings, design elements, and company information.
- **Cancellation and Downgrade:** Users can cancel or downgrade their subscription plan at any time. Changes will take effect at the end of the current billing cycle, and no refunds will be issued for unused portions of the subscription period.
- **Compliance and Conduct:** Webstore owners must comply with all Antbuildz policies and applicable laws when using the platform. Antbuildz reserves the right to monitor and review webstore activities to ensure compliance. Any misuse or violation of these terms may result in account suspension or termination.
- **Termination by Antbuildz:** Antbuildz reserves the right to terminate any subscription for reasons including, but not limited to, non-payment, fraudulent activity, or misuse of the platform. In the event of termination, users will receive written notice and will have a grace period to rectify any issues before permanent suspension.

### 4. Product Listings and Pricing

Users listing equipment on Antbuildz must adhere to the following guidelines:

- Each listing must include comprehensive information about the equipment, including model, specifications, condition, and any other relevant details that accurately describe the product. High-quality images and documentation are encouraged.
- All information provided in the product listing must be true, accurate, and not misleading. Misrepresentation of equipment features, condition, or availability may lead to the removal of the listing and possible account suspension.
- Pricing should be set transparently and reflect the actual cost for rental or purchase, including any applicable taxes, delivery fees, or additional charges. Listings with artificially inflated or deceptive pricing structures are prohibited.
- Users must regularly update their product listings to reflect the accurate availability of equipment. Listings should not remain active if the equipment is not available for immediate rental or purchase.
- All equipment listed must meet safety and regulatory standards applicable in the regions where they are intended to be used. Users are responsible for ensuring that their equipment complies with local, national, or international laws and regulations.
- The listing of prohibited, unsafe, or illegal items is strictly forbidden. This includes, but is not limited to, counterfeit equipment, stolen goods, or items that do not meet basic safety standards.
- Users must ensure that their product listings do not infringe on any intellectual property rights, including trademarks and copyrights. Antbuildz strictly prohibits the listing of counterfeit or unauthorized branded equipment. If any product is found to infringe on intellectual property rights, Antbuildz reserves the right to remove the listing immediately and may suspend or terminate the account of the offending user without prior notice.
- If any user believes their intellectual property rights have been infringed upon, they may contact Antbuildz with the necessary documentation and proof of ownership. Antbuildz will investigate and take appropriate actions, including removing the infringing product and potentially suspending the violating account.
- Antbuildz reserves the right to review, approve, or remove any product listing at our discretion. This may include instances where the listing does not meet our standards or where the equipment is deemed unsuitable for our platform.

## Antbuildz Webstore Policy

- If a listing is reported for being inaccurate, unsafe, or non-compliant, Antbuildz will investigate the issue and take appropriate actions, which may include listing removal, account suspension, or a permanent ban from the platform.

### 5. Transaction

All transactions made through the Antbuildz Webstore must comply with the terms outlined in the Antbuildz Rental and Buy/Sell Agreement. Users are responsible for ensuring that they have read and understood these agreements before engaging in any transaction. Any breach of the terms of these agreements, including payment defaults, failure to deliver, or misrepresentation of the equipment, will result in appropriate actions by Antbuildz, which may include suspension of transaction privileges, removal of listings, and possible account termination. Antbuildz reserves the right to hold, cancel, or decline any transaction if fraudulent activity or any form of policy violation is suspected.

### 6. Dispute Resolution

In the event of a dispute between users or between a user and Antbuildz, we encourage direct communication to resolve the issue amicably. If a resolution cannot be reached, the dispute may be escalated to Antbuildz's support team, who will mediate based on the evidence provided by both parties. Antbuildz's decision on dispute resolutions will be final and binding.

### 7. Privacy and Data Protection

Antbuildz respects your privacy and is committed to protecting your personal and business information. Please review our Privacy Policy for detailed information on how we collect, use, and protect your data. Users must not misuse or share any information obtained through the platform for any purpose outside of the transaction for which it was intended.

### 8. Prohibited Activities

Users are prohibited from listing prohibited, unsafe, or illegal items. Violation of this policy may result in suspension or termination of the user's account. Misrepresentation, fraud, or any malicious activity aimed at manipulating the platform, other users, or Antbuildz itself is strictly forbidden.

### 9. Liability and Indemnification

Antbuildz is not liable for any damage, loss, or injury resulting from the use of equipment rented or purchased through our platform. Users agree to indemnify and hold harmless Antbuildz and its affiliates from any claims, damages, or liabilities arising from the user's use of the platform or equipment.

### 10. Contact Information

For any questions or concerns regarding these policies or your experience on Antbuildz, please contact our support team at [info@antbuildz.com](mailto:info@antbuildz.com)

Thank you for choosing Antbuildz. We look forward to helping your business succeed.
